The question is who is to pay the - salary of Mr. M.G. Krishnaswamy Rao, Municipal Commissioner. Under Section 186 (C) (1) of the Municipal Regulation, the salary of the Municipal Commissioner should be paid either - - wholly by the Municipal Council or partly by Municipal Council and partly by Government as directed by it, having due regard to the resources of the Municipality.

As to the resources of the Bangalore City Municipality, there is a closing balance of over a lakh against Rs.20,000/- as fixed in rule 20 of the Municipal Account Manual.

Before the appointment of Mr. Anandarao Sirsi as President, the Municipality was incurring an expenditure of Rs.1,000/- per month i.e. Rs.250 as conveyance allowance to the non-official President Mr. B.K. Garudachar, Rs.100 to the Vice President and Rs.650 to the Chief Officer. The Government considered all these circumstances and ordered that a sum of Rs.900 per month towards Mr. Ananda Rao's salary should be met by the Municipal Council. Vide G.O. No. L.4707-9/Ml.70-21-137 dated 17th February 1922.

Having due regard to the resources of the City Municipality ^{Council} and to the fact that it was incurring an expenditure of Rs.1,000/- per month, it may perhaps be ordered that the salary of Mr. Krishnaswamy Rao which is Rs.1,000 per month, may be paid wholly by the Municipal Council.

Please put up the file relating to the emoluments of Mr. Anandadas Saini.

What was the amount & nature of the allowance given to Official Presidents in the past.

Was any horse allowance given to Offl. Presidents in addition to any local ^{or other} allowance that they were getting?

The file relating to the emoluments of Mr. Anandadas Saini was submitted to the Chief Secy by Mr. Anandadas in connection with his previous application of Mr. A. Saini and so that file is not readily available. A copy of the G. O. fixing his emoluments is in the file. He is given an allowance of Rs 200/- in addition to his pay as Dy Comr.

The ex-officio Official Presidents of the Bangalore city municipality were given in the past an allowance of Rs 150 a month. None of them were given any horse allowance.

local allowances, but there does not seem to be any objection to treat the allowance as a duty allowance. Even if this is done it will not count for pension under the rules. There are however two or three cases in which Govt. have recently allowed duty allowance to be taken into calculation for purposes of pension. The first request therefore consists of two concessions viz (1) treating the allowance as a duty all^{ce} and (2) allowing it to be counted for purposes of pension. Both are matters for special orders.

As regards the second request, none of the official, ex-officio or non-official Presidents was granted any horse allowance in the past. The duties of the Commissioners do not seem to be more onerous than those of the Presidents who exercised executive functions in the past. The maximum allowance given by the official and ex-officio Presidents in the past ~~was~~ was Rs 200. The grant of the horse allowance is also a matter for special orders.

If the horse allowance is sanctioned it has to be met from the funds of the Municipal Council as in the case of the Commissioners.

Mr. M.G. Krishnaswami Rao, Deputy Commissioner, 3rd class, sub-pro-tem, is doing duty as Municipal Commissioner, Bangalore, from the 1st December 1923 with a local allowance of Rs. 200 per mensem in addition to his grade pay. (Vide G.O. No. 1838-40/C.B. 110-23-2 dated the 23rd November 1923.) He now states that his duties as Municipal Commissioner throw very heavy work on him besides putting him to considerable expense on account of the necessity for maintaining a motor car and a riding animal, apart from the expensiveness of the locality, and requests that his local allowance may be treated as a duty allowance counting for pension and that an additional allowance of Rs. 50 per mensem may be -- granted to him for maintaining a horse.

*See 14
Office Notes*

The Chief Secretary and the Financial Secretary have noted that the allowance sanctioned in this case is really of the nature of a duty allowance. When the papers were submitted to me, I noted that a separate conveyance allowance of Rs. 50 might also be given in view of the special work and responsibility attached to the post and of the fact that the officer has to move about to all nooks and corners.

Para 14 of -do-

The matter was considered in Council at the meeting held on the 7th February 1924 when it was resolved that the local allowance of Rs. 200 given to the Municipal Commissioner may be treated as a duty allowance and that a horse allowance need not be given. It was considered that it would be inexpedient in the case of high officials to sanction separate horse allowances, and that they should maintain horses when the nature of their duties require it, out of their regular emoluments. It was also considered unnecessary at present to consider the question of counting the duty allowance towards pension. This has been done in some individual cases recently.

The recommendation of the Council may be graciously approved.
